 2. The champion will draw up a list of items to be sent in each box, and make a signup sheet listing what is needed, and how many of each is necessary.
 3. At the last two Sunday services in September, the signup sheets will be passed among the congregation
 4. The Champion and any volunteers will gather the donated items, and properly pack them for shipment.
 5. Using address labels from the church secretary, the packages are shipped in order to arrive before the end of October
